

CPC ESD Topcoat Color Chart

Light Gray #0110

Silver Gray #413

Electric Gray #431

Charcoal Gray #402

Consult your CPC Representative for more details

The actual colors can result in small deviations from the color chart due to the nature of the element that makes this Static Dissipative or Conductive. Printed color charts approximate actual color. Final color approval should be made from physical sample. Final color appearance is affected by lighting, surface texture, and method of application.
